Friends of the Fireworks,

Spring has sprung and it is time to get our job done. We have signed our fireworks contract for this year and we're on for Saturday July 3, 2021 for the best bang-for-your-buck fireworks display in the north! Now we have to raise the remainder of the funds necessary to make our show happen. Our annual Golf Scramble fundraiser will be on Saturday May 22, 2021 (*details on reverse side*). About the same time, we will also be erecting the fundraising thermometer.

We appreciate and thank all those who have already contributed to our event and encourage all of you to consider donating and joining us for our celebration of freedom on beautiful St. Clair Lake! We ask that all of you exercise personal responsibility to help keep your friends and neighbors safe as we celebrate our freedoms and rock the waters.

2021 Schedule of Events

4:00 pm	D.J. starts music on the water
5:15 pm	Freedom Salute begins with Salute to Colonel Ellsworth
10:15 pm	Freedom Salute finale
10:28 pm	National Anthem
10:30 pm	Fireworks begin

This year, our fireworks display is dedicated to the Friends of the Fireworks we lost this past year who served our country when duty called. We miss them all terribly and honor their memory.
